

Sacred Journey to Egypt Presented by:
Vanda Osmon, Joy Travel and Dr. Valerie Girard, PanHarmonic Healing

EGYPT -- Stargate 2009
ACTIVATING THE CODES - TRANSCENDING THE VEILS

March 15- 28, 2009
Option to Alexandria 3/28 - 3/30/2009

YOU ARE INVITED....

To embark on a profound transformational journey to Egypt to integrate and embody ancient wisdom. Experience a living book of miracles and co-create with the highest Divine energies. Activate your soul's potential through discovery, meditations, inner journeys, sacred movement, group experiences, sharing, joy and contemplation. Awaken the gift of Inner Knowing...walk the path of Mastery with gratitude, empowerment, and a compassionate heart... participate in Planetary Healing...all at Stargate Egypt!

The Christalis Code... Activate your Highest Potential using the encoded moving language of the Ancient Ones. This code can be used, in meditation, healing practices, intent work, and art and in ceremony. It honors the best of traditions and offers succinct evolutionary pathways for personal and planetary healing.

Egypt is a multi-dimensional Stargate. It is a portal of high energy located on a major earth grid, where the veil between the dimensions is thin and communication with the Divine is heightened. Egypt is also at the heart of the enduring mysteries... where alchemy and healing merges into a divine process of initiation, transforming humans into illuminated beings. The *Ancient Ones* depicted Egypt as a stairway to heaven by reproducing a map of the stars onto the Temples on Earth. *As above so below!*

EGYPT holds the energetic keys to galactic wisdom that enables us to remember our divine origins. The Ancients Ones decoded the knowledge contained in LIGHT. They understood the regenerative energies of the Sun and Star light that enabled them to become spiritual masters. They created sacred physical structures that mimic the harmonic golden ratio found in nature to maintain universal harmony. The Sphinx, pyramids, and temples (Libraries in Stone) were aligned with the celestial horizon and stars and placed on specific Earth grids. Energetically alive and active, they are infused with Divine power!

We will explore the Egyptian God Thoth-Alchemist, Magician and Scribe of Wisdom. Thoth wrote the EMERALD TABLETS, which revealed profound spiritual wisdom and was the source of alchemy and hermetic sciences. It was

encoded with mysterious wording with specific steps to achieve personal transformation. We will journey into the Halls of Amenti, to obtain the guidance of the Nine Lords of Time, the guardians of Time-Space reality.

Each step along the way, Temples offer a homeopathic dose of ancient mystery school wisdom. They enable a deepening of self-knowingness to release outmoded patterns and beliefs. Private admission in the Great Pyramid aligns us with the Galactic Heart. These experiences help to open to greater Divine Awareness and Intuition of the Higher Heart.

Now is the time to remember the First Time, known as Sep Tepi or the Age where gods walked the land and where the twin worlds of Heaven and Earth intermingled. On this sacred journey we will walk the sands of Egypt and peer through the veils of time to Know Truth for Self, to bring forth greater personal soul empowerment and self-mastery.

You will experience the major Earth vortex and Stargate where cosmic, terrestrial and dimensional energies come together at the paws of the Sphinx and the Pyramids. At key energetic points, we will journey as inter-dimensional travelers, absorbing the Sacred Energies available. At the culmination of our journey on the New Moon we will have private time inside the Kings Chamber of the Great Pyramid to activate our highest potential.

Spring Equinox is a time of new beginning and renewal and your journey through Egypt will be filled with amazing experiences that will stir your soul at its deepest level. Join us with reverence and joy as we retrace the footsteps of the Ancient Ones, experiencing living light-filled temples still resonating with profound mystery.

PRESENTERS:
